<b>Daily Check-in</b>	Daily Check-in using Google Classroom	Daily Check-in using Google Classroom	Daily Check-in using Google Classroom	Daily Check-in using Google Classroom	Daily Check-in using Google Classroom
<b>Typing/ Dictionary/ Cursive skills</b>	<ol style="list-style-type: none"> <li>Typing Club/Nitro Type</li> <li>Practice your dictionary skills by writing the definitions of all of your <a href="#">spelling words</a></li> </ol>	<ol style="list-style-type: none"> <li>Typing Club/Nitro Type</li> <li>Practice your cursive skills by writing all of your <a href="#">spelling words</a></li> </ol>	<ol style="list-style-type: none"> <li>Typing Club/Nitro Type</li> <li>Practice your <a href="#">spelling words</a> with an activity from the second page of the spelling word document</li> </ol>	<ol style="list-style-type: none"> <li>Typing Club/Nitro Type</li> <li>Practice your <a href="#">spelling words</a> with an activity from the second page of the spelling word document</li> </ol>	Art
<b>Math Warm-up</b> Math Practice (flash cards, multiplication.com, Prodigy, Khan Academy, etc)	Math Practice (flash cards, multiplication.com, Prodigy, Khan Academy, etc)	Math Practice (flash cards, multiplication.com, Prodigy, Khan Academy, etc)	Math Practice (flash cards, multiplication.com, Prodigy, Khan Academy, etc)	Math Practice (flash cards, multiplication.com, Prodigy, Khan Academy, etc)	Math Practice (flash cards, multiplication.com, Prodigy, Khan Academy, etc)
<b>Ganssle Math</b>	Math Lesson (go to blog and Google Classroom) <b>Day 1</b> * take Prodigy assessment (on Google Classroom). This will provide some great math games to practice once a level has been set. *review customary measurement	<b>Day 2</b> *Go over Slide presentation on "Converting Length" (on Google Classroom and below) *Complete "Converting Length" quiz on Google Classroom	<b>Day 3-</b> <b>converting customary capacity</b> *go through slide presentation on customary capacity (below and on Google Classroom) *download "Gallon Man" and create your own. Try some	<b>Day 4-</b> <b>converting metric capacity/volume</b> *go through presentation (Google classroom or below) *Take "check for understanding" quiz on Google Classroom	

	<p>with Slide Presentation (on Google Classroom and below)</p> <p>*Take "Monday Measurement Length" quiz under "Check for Understanding" on Google Classroom.</p> <p>*Strolling with my Gnomies Measurement Game</p>	<p>*Passed? go onto Prodigy or practice <b>game</b></p> <p>*Still need help? Go onto Khan Academy Measurement</p>	<p>of the activities (optional)</p> <p>*practice on Prodigy, Khan Academy or games from previous days</p>	<p>*If you pass the quiz, go onto prodigy. If you do not pass, practice on Khan Academy-measurement</p>	
<b>Street Math</b>	<p>Math Lesson: Customary &amp; Metric Length</p> <ul style="list-style-type: none"> <li>- Lesson and check for understanding posted in <a href="#">Math Google Classroom</a></li> </ul>	<p>Math Lesson: Converting units of measurement</p> <ul style="list-style-type: none"> <li>- Lesson and check for understanding are posted in the Nearpod in your Google Math classroom</li> </ul>	<p>Math Lesson: Converting units of measurement from one system to another</p> <ul style="list-style-type: none"> <li>- Lesson and check for understanding are posted in the Nearpod in your Google Math classroom</li> </ul>	<p>Math Lesson: Customary and metric units for capacity</p> <ul style="list-style-type: none"> <li>- Lesson and check for understanding are posted in the Nearpod in your Google Math classroom</li> </ul>	
<b>Writing</b>	<p>Work on editing/revising and final draft of your persuasive essay</p> <p>** Submit the final draft of your essay through Google Classroom **</p>	<p>Work on editing/revising and final draft of your persuasive essay</p> <p>* Submit the final draft of your essay through Google Classroom **</p>	<p>Work on editing/revising and final draft of your persuasive essay.</p> <p>* Submit the final draft of your essay through Google Classroom **</p>	<p>write in a journal with daily prompts)</p> <p>-Writing Journal posted in Google Classroom - Writing Quarter 4</p>	<p>- write in a journal with daily prompts)</p> <p>-Writing Journal posted in Google Classroom - Writing Quarter 4</p>
<b>Read - your choice</b>	<p>READ- (read a book, ReadWorks - Article a Day, NewsELA, online stories, etc)</p>	<p>READ- (read a book, ReadWorks - Article a Day, NewsELA, online stories, etc)</p>	<p>READ- (read a book, ReadWorks - Article a Day, NewsELA, online stories, etc)</p>	<p>READ- (read a book, ReadWorks - Article a Day, NewsELA, online stories, etc)</p>	<p>READ- (read a book, ReadWorks - Article a Day, NewsELA, online stories, etc)</p>

<b>Reading Lesson</b>	<a href="#">Reading Lesson (on blog and Google Classroom)</a> Skill: Finding Theme Story: The Fun They Had		Reading Lesson (on blog and Google Classroom) Skill: Theme		
<b>Science/Social Studies</b>	<p>Science</p> <p>Our objective for Science these next two weeks is to identify and describe the different types of plant and animal adaptations. It is broken into two days, but can be split up over the next two weeks.</p> <p>The best way to complete this lesson is on Google Classroom. There you will find an interactive presentation, a "check for understanding" quiz, as well as a notes page. I will upload the presentation and notes here, but they will have to be downloaded and won't be able to be turned in at the end.</p>	<p>Social Studies</p> <p>Colonial America (link in Google Classroom in Social Studies Quarter 4)</p>	<p>Science</p> <p>Our objective for Science these next two weeks is to identify and describe the different types of plant and animal adaptations.
